Dear Residents:

Work has resumed on the 1930's Water Line Phase II project with pipeline installation along South St. You will see work along South, Grove, Lawn and Harrison streets as the contractor continues to progress along the planned routes. Improved water volumes between our towers, service lines and fire hydrants along the route are some of the benefits the village receives from this project.

I want to thank the many volunteers and organizations who contributed to making the Christmas in Ashley Events and Parade a great success. Well done!

As always, for more village information, please contact the mayor's office or attend a Village Council (first Tuesday of the month, 7pm) or Board of Public Affairs meeting (third Tuesday of the month, 7pm).

Best wishes for a safe and prosperous New Year!

David Lockhart, Mayor, [dlockhart@villageofashley.org](mailto:dlockhart@villageofashley.org), (740) 747-2889 x5
